

HOW TO GET TO TERRASSA ?

✓ BY AIR

BARCELONA AIRPORT

The airport is located at El Prat de Llobregat, about 10 km west of Barcelona. There are three different ways to access Terrassa:

By taxi: this costs approximately 50 € and this price should include the taxes for your luggage.

By train: there are trains (**RENFE**) to Barcelona every 30 min. (from 06:11 to 22:40) and takes about 20-25 minutes. Follow the signs from your terminal to the train station. You can buy your ticket using the machines or from the ticket office. You need to get off in the city centre at **Plaça Catalunya** (price 3 €). Look for the following signs:

When you get off at Plaça Catalunya you need to leave the RENFE station. You will find yourself in a big square called Plaça Catalunya. Now you need to find the entrance to another train station called **Ferrocarrils de Catalunya (FGC)**.

By bus (Aerobús): there are buses every 12 minutes and operate as far as the main station Plaça Catalunya in about 20 minutes, where you can take the FGC train to Terrassa
